Company Overview

CargoLink South Africa is a South African-based logistics company specialising in customs clearing, freight forwarding, and comprehensive import and export solutions. We provide structured, compliant, and efficient logistics support to clients operating across a wide range of industries.

Our role is to simplify complex supply chain processes by managing customs formalities, freight coordination, and regulatory requirements with precision and accountability. We work in close collaboration with shipping lines, airlines, international agents, and regulatory authorities to ensure cargo is handled seamlessly from origin to final destination.

CargoLink South Africa is committed to delivering dependable service through clear communication, accurate documentation, and proactive operational management. By combining industry knowledge with a client-focused approach, we build long-term partnerships based on trust, consistency, and performance.

CEO & FOUNDER
MR BIO KOUABENAN

WELCOME MESSAGE

Dear Valued Clients and Partners,

Welcome to CargoLink South Africa. Our company was founded with a clear purpose – to make international trade and logistics seamless, efficient, and compliant for every client we serve. In today's fast-moving global market, we understand the importance of precision, reliability, and proactive communication.

At CargoLink South Africa, we are committed to providing tailored solutions that simplify complex logistics processes, ensuring that your cargo moves smoothly from origin to destination. Our team combines expertise, dedication, and integrity to deliver services you can trust.

We look forward to partnering with you and supporting your business growth through dependable, professional, and transparent logistics solutions.

Warm regards,
Bio Kouabenan
Director, CargoLink South Africa

OUR VISION

To be a trusted and respected logistics partner in South Africa, recognised for dependable service delivery, regulatory expertise, and long-term client partnerships across the supply chain.

OUR MISSION

To provide efficient, compliant, and cost-effective customs clearing and freight forwarding solutions by combining industry knowledge, operational precision, and personalised client service. We aim to simplify complex logistics processes while ensuring transparency, accountability, and consistent performance.

OUR VALUES

- Integrity: We conduct all business ethically, transparently, and in full compliance with customs and trade regulations.
- Reliability: We deliver consistent, dependable service and honour our commitments to clients and partners.
- Accountability: We take full responsibility for every shipment, process, and outcome.
- Client Focus: We understand our clients' needs and provide tailored logistics solutions supported by clear communication.
- Professional Excellence: We apply expertise, attention to detail, and continuous improvement to maintain high service standards.

OUR SERVICE

Customs Clearing

Seamless and compliant customs clearing solutions designed to keep your cargo moving without delays. Our experienced team manages all regulatory requirements, documentation, and customs liaison, ensuring smooth import and export clearance every time.

Freight Forwarding

Flexible, reliable freight forwarding tailored to your timelines and budget. We manage air, sea (FCL & LCL), and road freight, providing end-to-end coordination, real-time visibility, and dependable delivery from origin to destination.

Import & Export Management

A complete, hassle-free import and export service offering a single point of contact and full operational control. From shipment planning and global agent coordination to documentation and final delivery, we handle every detail so you can focus on your business.

Specialised & Non-Standard Cargo

Expert solutions for complex and high-priority shipments. We specialise in time-sensitive, regulated, and special-handling cargo, delivering tailored logistics strategies that meet strict requirements with precision and care.

OUR APPROACH

1. Assessment – Understanding your cargo and regulatory requirements
2. Planning – Preparing compliant documentation and logistics solutions
3. Execution – Coordinating transport, clearance, and delivery
4. Communication – Providing updates and proactive issue management
5. Completion – Ensuring successful delivery and client satisfaction

OUR COMPLIANCE & ACCOUNTABILITY

Compliance is central to our operations. We work strictly in accordance with SARS customs regulations, international trade and transport standards, and all airline, shipping line, and health & safety requirements.

Our experienced team ensures every shipment is handled accurately, transparently, and in full compliance with regulatory requirements. By proactively managing documentation, procedures, and approvals, we minimise risk, prevent delays, and protect our clients from penalties — giving you confidence that your cargo is in safe, accountable hands.

WHY CHOOSE CARGOLINK SOUTH AFRICA

Choosing CargoLink South Africa means partnering with a logistics company that values precision, integrity, and results.

Our strengths include:

- Proven expertise in customs clearing and freight forwarding
- Strong focus on regulatory compliance and documentation accuracy
- End-to-end logistics management with a single point of contact
- Proactive communication and transparent processes
- Tailored solutions aligned to your operational and commercial needs

We prioritise long-term partnerships, consistently delivering reliable service, measurable value, and peace of mind.
